- If your youth is ill, keep them at home. If they begin to appear ill during any class/event, we will contact you immediately for pick-up.
 - While participating in church activities, all electronics (phones, gaming devices, etc.) should be tucked away and in silent mode unless the leader specifically allows their use. Please consider leaving them behind when possible.
 - If anyone other than a parent will be picking a youth up, a parent will contact the office.
 - Youths may be photographed during events. We may use these photos online, during worship services, or in church communications. If you would like to opt out and not let your youth's image be used for these purposes, please check here.

I have reviewed the above policies with my youth.
